

Snakebusters - Australia's Best Reptiles

The Best Reptile Show for Shopping Malls

Nothing pulls a crowd like reptiles at a shopping mall with Australia's BEST reptiles®

And no reptile show pulls a crowd like Raymond Hoser's Snakebusters, hands-on reptiles!

No other reptile outfit comes close!

The two main elements:

1 - World's best deadly snake show, including being the only one with the world's top five deadliest! It is also the ONLY legal deadly snake show in Victoria!

2 - "hands-on reptiles", where the people can "hold the animals" (exclusive to Snakebusters).

No one else has this winning combination!

For shopping malls we usually do the following:

Starting is the world's best "deadly snake show" from a stage followed up with Australia's ONLY "hands-on reptiles" where the audience can HOLD THE ANIMALS. This includes, crocodiles, pythons, lizards, frogs, etc. No Snakebusters imitators does "hands on reptiles" and therefore cannot possibly draw crowds remotely as large.

With press promotion beforehand, using the Snakebusters trademarks, the attendance at your mall will be huge!

In a rare move, Snakebusters was granted the legally enforceable trademark 'Australia's best reptiles', because we were able to demonstrate our superiority to all others. Using this trademark to promote Snakebusters will guarantee crowds at your mall to beat any inferior outfits.

For everyone else, snakes means danger, public liability risks, OH and S, and insurance headaches. But Snakebusters are alone in using vet-certified "venomoid" (devenomized) snakes for all public shows, and are therefore the only "Legal" deadly snake show in Victoria. Snakebusters is the only "No risk" venomous snake show in the world and the only legal one in Victoria!

We have full public liability cover, WWC police checks, Ethics Committee Approval, DSE permits, accreditations and so on.

With our own PA system including up to four 200 watt speakers and several large backdrop banners we can literally "walk-in - walk-out" of a mall with a minimum of set-up arrangement or time and in various situations. The reptiles themselves are usually shipped in one or two compact carrying cases which are removed from the mall at the end of each day.

Pre-event advertising can be assisted with A-grade photos, artwork and the like that we can supply.

Big malls already visited include most major Melbourne malls including: Centro's The Glen, Brandon Park, Box Hill, Heidelberg, Karringal, Ringwood, Wodonga and others, Stockland's Pines, Savills Endeavour Hills, Pacific's Werribee Plaza, Jam Factory, Century City, Market Square, Greensborough Plaza and other GPT malls, Barkly Square, Wyndham Plaza and numerous

regional malls. Snakebusters is owned by Australia's Snakeman, Raymond Hoser. No one has the experience of him and his crew.

He published the "Bible" on reptiles and frogs in 1989 and his numerous books, scientific discoveries, TV appearances and the like make him and his crew a real-life legend and drawcard at any venue.

Note: Snakebusters typically pulls from three to ten times the crowds of less experienced reptile shows (who lack the deadly snakes and hands-on reptiles). To protect mall owners, we generally refuse to book at two nearby malls in a single holiday period. We also enforce our trademark rights to protect customers who expect "Australia's best reptiles", when they see our other trademarks used. We won't let imitators or their promoters market themselves as "Australia's best reptiles".

So if you want Australia's best reptile show at your mall then book early to avoid disappointment.
