

SNAKEBUSTERS, THE REPTILE SHOW OF CHOICE FOR STREET FESTIVALS

Nothing pulls a crowd like a snake and reptile show!

And no snake show pulls a crowd like Raymond Hoser and the Snakebusters team.

We are the only people with the five deadliest snakes on earth: namely, Taipan, Fierce, Tiger, Brown and Death Adder, plus the local deadlies, as well as giant pythons, crocodiles and other reptiles that the public get to handle.

We are the best, most experienced handlers in the business. Remember we wrote and published the book "*Australian Reptiles and Frogs*" way back in 1989, which is still everyone else's "Bible" on snakes, etc ... and not only that, Snakebusters are the best entertainers.

Snakebusters are known as "full-on hands on". We allow lots of people to hold lots of reptiles at the same time. No one else comes close!

For Street Festivals we usually alternate between deadly snake shows every 90 mins or so (for 30 minutes) and then "full-on hands on" with harmless reptiles in between times.

On a stage set-up we usually pull bigger crowds than the muso's!

Nothing beats a Snakebusters show and it's always the most popular attraction at events.

Yes, we can customise our deadly snake shows to fit a particular audience and as a rule, we tend to highlight the snakes most common in the area where we do the show.

In this age of public liability headaches, Snakebusters are alone in having "venomoid" snakes. These are ones that have had their venom glands surgically removed. The snakes look normal and act normal and unless you can do surgery on the snakes and know what to look for, then you'd never know the difference.

But of course there is ABSOLUTELY NO RISK to the handler or the viewers.

These snakes are totally harmless.

The best snake show on earth is also guaranteed risk free!

The snakes are better off as well, as they don't endure the intense cruelty of pinning sticks, snake hooks, tongs and "neck holds" as seen in inferior snake shows.

There are loads of other unique features making Snakebusters the show of choice.
